NAL Project No.

Sponsor : AERONAUTICAL DEVELOPMENT AGENCY

Sponsor's Project No.
LCA-0-121

Approval : DIRECTOR, NAL

Remarks :
THIS PROJECT DOCUMENT IS BEING PUT UP TO ADA FOR
FUNDING PURPOSES

Keywords : CAD, STAND-ALONE, 32-BIT, WORKSTATION

Abstract :

This document briefly summarizes CAD-based activities in NAL and the limitations of the existing facility to cope with such activities. Justification for a stand-alone 32-bit CAD workstation and specifications for the same are furnished along with a budget estimate.
